# EXECUTIVE SUMMARY

We are an organization committed to the growth of entrepreneurs and companies, with a team of trained professionals to provide tools, support and training necessary for the development of digital projects; using as negotiation channel our own token ERC20 acronym AFO.

- We offer an easy way to invest your money with a short return term.
- We will create a channel for professional development with a friendly platform.
- We accept the main cryptomonedas ETH and BTC
- We are available to anyone internationally.
- We create our own AFO Token.
- We will capture and promote digital projects, with our community of professionals that will grow more and more.

## MISSION

To be the organization of reference for millions of people in the world, committed to the growth of entrepreneurs and companies, giving the tools, support and training necessary for the development of digital projects; using as negotiation channel our own token ERC20 acronym AFO.

## VISION

The continuous development of new alternatives, systems and lines of business to help our community finds its financial freedom, thanks to the performance of the professionals community.

## VALORES

The professional members of our community who day by day will add a significant portfolio of projects executed for the benefit of society worldwide.

## OBJETIVOS

- Create the ERC20 token AFO acronyms
- Build a network of professionals and entrepreneurs who interact with each other to advise, develop and execute proposed digital projects within this All For One Business community.
- Promote the AFO token using it as a channel for all community transactions.
- Focus the direction of All For One Business to the advice, development and execution of digital projects, with the participation of the network of professionals that will gradually add to the community.
- Engage investors who have the vision and entrepreneurial spirit to drive All For One Business.

# CHANGING THE CONCEPT OF TEAMWORK
